# Semester Highlights

## Start Dates:

### Fall Opening Convocation

Sunday, August 21, 2022  
6:00 PM – 7:00 PM

ALL students, faculty, and staff are expected to attend this opening chapel. Introductions will be made, vital information will be conveyed, and prayer will be lifted to the Father for the semester and year. This convocation will serve as chapel for the first week of the semester.

### Classes Begin:

Monday, August 22, 2022

Enrolled students should make every effort to be present for the first day of each class. Syllabus review and clarity of course expectations will be discussed as this is vital for student success in each course.

## Know Things...New Things | Tuition & Fees |

Tuition will remain at the same rate as the previous academic year, however, both the student fee as well as the technology fee has increased. Here is are current tuition/fee rates for this academic year:

**Tuition:** \$137.50 per credit hour

**Student Fee:** \$100.00 per semester

**Tech Fee:**

\$150.00 for the BA, BS, or AS student programs

- **GOOD NEWS:** The student fee now includes a \$25 store credit to be used for student purchases from the SBIC Spirit Store.

## Technology Fee Inclusions

- **GOOD NEWS:** The increased technology fee now includes a semester license for **Logos Bible Software** for enrolled students. Students in programs requiring more in depth Biblical/Theological courses (i.e. the BA, BS, or AS program) will receive the **Advanced Package** which includes a larger library collection. Those students in programs requiring fewer Biblical/Theological courses (i.e. AA, Certificate, Diploma programs) will receive the **Essential Package** which has less ebook resources. Once the student completes their enrolled program (with a minimum of four semesters of new technology fees paid in full), the Logos license will be gifted to them.
- Also included is that each student will receive a **personal 'southernbible.org' email address** to be used while matriculating at SBIC. This email will be active and required for login to the 'mySBIC' student portal and all correspondence between the student and faculty/staff of Southern Bible.

## Introducing: 'Real-time' Online/In-Person Classes

Southern Bible Institute & College is piloting online courses in real-time with on-campus students beginning fall 2022. This simultaneous course delivery in education is called "**Hyflex**". Students will experience 21st century (distant) learning by attending class virtually alongside students who are present in the classroom.

Enrollees will be able to see and hear LIVE lectures, engage with students whether on-campus or online, as well as submit class assignments through the student portal. Review the fall (and spring) course schedule for specific classes being offered as a Hyflex course delivery modality.

### Hyflex Scholarships Available

To make the pilot program successful, SBIC is offering fifteen (15) tuition scholarships for online Hyflex students. Eligible applicants must reside at least 15 miles away from Southern Bible's campus. However, any student may register for a Hyflex course as in-person or online.

- 
- **Modality terms to know:**
    - *On-Campus* – Meets ONLY in-person on SBIC's campus
    - *Online* – Meets ONLY virtually
    - *Hybrid* – Meets partially Online and partially On-Campus
    - *Hyflex* – Meets online and in-person simultaneously

### ABHE Visit & Prayer Week

We are excited for the fast approaching mile-marker of our Initial Accreditation visit from the Association for Biblical Higher Education (ABHE). On October 25-27, 2022, a team from ABHE will be on campus for interviews and evaluation to confirm that SBIC have met the requirements for accreditation. Although we are optimistic about our readiness, we are also humbled to know that without the favor of God, it will all be in vain. Therefore, we've designated the week prior (the week of October 17th) for intensive prayer. Please begin praying now for the Lord's grace, and stay tuned for more information about this Week of Prayer.

### Chapel Attendance

A reminder that it is important, and a requirement, that students attend chapel on a weekly basis. This is not only a significant part of the process for a biblical higher education, but it is a time of fellowship and spiritual growth for the entire SBIC community. Students, please make every effort to be present and on time for chapel, given that such will impact your attendance and course grades.
