## NEW POLICIES & FAQs

### CAMPUS COMEBACK | SAFER TOGETHER

We recognize that there are concerns and questions about SBIC's protocols, policies, and precautions for returning to campus and in-person classes. Here are some of the policies in place as well as a few frequently asked questions with regard to COVID-19 safety.

#### **FREQUENTLY ASKED QUESTIONS**

##### **Are vaccinations required for fall enrollment?**

There is no requirement that students be vaccinated in order to enroll. However, every individual is responsible for protecting his/her own health while on campus.

##### **Are masks required while on campus?**

Masks are not mandated, but are highly encouraged to be worn by both those who are vaccinated and unvaccinated while on campus.

##### **Is the Pre-Arrival Screening online form still required before coming into the facility?**

No. However students, staff, faculty, and guests are required to sign-in when entering the building.

##### **What protocols and precautions are in place to help prevent the spread of COVID-19?**

We have several precautionary measures in place such as: 1) smaller enrollment limits per class, 2) individual and socially distanced desks, teachers, and speakers in each classroom and the Chapel auditorium, 3) staggered class breaktimes, and 4) sanitizing stations throughout the campus.

##### **In the event the spread worsens, will SBIC return to online classes?**

Southern Bible will continue to monitor the situation, follow CDC guidelines, and comply with any governmental mandates. Decisions to suspend in-person classes will be made if/when it becomes necessary to do so.
