CAMPUS SAFETY & CRIME REPORT

2018-2019

MISSION

Southern Bible Institute & College is a biblical higher education institution committed to equipping men and women to be competent servant leaders with a Bible-centered worldview.

Southern Bible publishes an annual Campus Safety & Crime Report on the institution website. This report focuses on campus safety and emergency procedures currently in place, gives an incident report for crime on campus. A crime incident report for the 75232 zip code, in which the Institution is located, is available through the Facilities Manager & Campus Safety Liaison.

CAMPUS SAFETY AND EMERGENCY PROCEDURES

SBIC seeks to provide a secure and safe environment. Suggestions for improvement or overlooked/unattended issues must be received in writing and addressed to the Vice President Administration or Facilities Manager & Security Liaison.

Recent violent events on campuses in the continental US have caused the administration to look carefully at campus security and safety. As a result, these security and safety measures have been put in place as for campus security and safety awareness and prevention and as ancillary to the Community Standards describing expectations.

CRIME AWARENESS A student(s) observing criminal activity on campus or breaking of campus security and safety measures should not try to intervene, but instead immediately report the incident to the Vice President Administration or Facilities Manager. If the student(s) are victims, the student should not seek exact justice, but rather remove themselves from the situation as quickly as possible and follow the same incident reporting procedure to the Vice President Administration or Facilities Manager & Security Liaison.

As part of its crime awareness education, SBIC distributes campus security and safety procedures and updates with registration materials each fall and spring term. Current campus crime statistics are published annually.

CAMPUS BUILDINGS - The Vice President Administration is responsible for security on the SBIC premises. The Facilities Manager and Security Liaison or designate unlocks the facility at 7:30 A.M. each morning. The facility is locked at the close of classes or business each evening by the security staff on duty with responsibility for locking all exterior doors and ensuring that windows are closed and locked properly. Students should not enter locked areas, tamper with locks, or leave doors or windows ajar in areas that are not designated or open for entry.

SAFETY EQUIPMENT - Fire extinguishers, alarms, and smoke detectors are to be used only in case of a fire. Fire safety equipment is expensive to replace. Rendering safety equipment nonfunctional may jeopardize the lives of others. Exit signs in the building clearly make exit routes plain for emergency situations. SBIC publishes emergency evacuation procedures in its Catalog and Handbooks and distribution with registration materials.

VEHICLES AND PARKING- All students arriving or departing should use approved entry and exit areas, and park in designated areas (lighted areas for night school). For safety, students should always lock their car or other transportation. Care in driving should be observed when on campus. Vehicles left on campus without permission from the Facilities Manager are subject to being towed from campus without warning.

WEAPONS, FIREARMS, AND EXPLOSIVES - Firearms, ammunition, weapons, or any explosives (including fireworks) are prohibited on the SBIC campus premises. This also includes pellet and BB guns, bows and arrows, swords, large knives, and sling shots, or any other object that might be construed or used as a weapon.

Southern Bible Institute & College does not allow "Campus Carry." That means anyone, other than authorized personnel, carrying a firearm inside any of the buildings on the campus of Southern Bible Institute & College are in violation of campus policies and the laws of the State of Texas. This policy is based on ([Tex. Penal Code § 46.03\(a\)](#)) and Tex. Penal Code § aw46.03(f). Only licensed law enforcement personnel may have protection/peacekeeping weapons on campus while on duty.

Students, faculty, and staff who are licensed to carry a gun are allowed to keep their firearms in their locked vehicles that are parked on the campus. Again, no firearms are allowed to be taken into the SBIC facilities without prior written permission by the administration.

SBIC posts a written notice for its campus carry policy about firearms at each entrance door. SBIC also practices an active shooter protocol for safety while on the campus. A public read-only copy of these policies can be obtained from the Campus Safety Liaison.

EMERGENCY PROCEDURES

FIRE PREPAREDNESS - Anyone discovering a fire must immediately **activate the nearest alarm switch** (thereby setting off the alarm). **Phone the Fire Department:** Dial 911. Report the fire location at 7200 South Hampton Road. The report must include the nature and location of the fire, the fact that the fire department has been called, and any other pertinent information. Once outside the building, **Inform the Fire Team**. The daytime fire team includes the Facilities Manager and Security Liaison and Vice President Administration.

EVACUATING THE BUILDING

- Before leaving rooms or offices, shut doors and windows where possible.
- In the classroom, the instructor will give directions and be the last person to leave the classroom.
- Exit signs in the building clearly make exit routes plain for emergency exiting.
- Do not return to the building until told to do so by a Fire Team member.

In addition to these published evacuation procedures, the SBIC Fire Team practices periodic, unannounced fire evacuation response drills as preparation for real campus fire emergencies. Emergency escape routes are posted in each room and in hallways throughout the facility.
